

The Alberta Library (TAL) is seeking a Digital Licensing Consultant (Temporary/Contract) to expand the delivery of TAL digital licensing services beyond libraries to Edmonton-area schools. The timeline for this project is January to June, 2019.

Reporting directly to The Alberta Library's CEO, the Digital Licensing Consultant is responsible for

- Developing web and print marketing materials for TAL licensing services.
- Establishing and making initial contact with appropriate school division staff.
- Presenting school divisions with options for digital licensing.

Desired skills and experience:

- K-12 teaching experience.
- Knowledge of Alberta curricula.
- Ability to use MS Office and web development tools to design and produce marketing materials.

Compensation will include an hourly wage plus reimbursement for mileage and other relevant expenses.

TAL is a non-profit, province-wide consortium that provides digital resource licensing and other services to library members in more than 290 locations in Alberta. Desiring to build on the success of our 21-year history, TAL is seeking to expand our licensing services to Edmonton-area schools. TAL's office is located in Downtown Edmonton.

Please forward your cover letter and resume to Tina Best, admin@thealbertalibrary.ab.ca by December 11, 2018. This job posting may remain open until a suitable candidate has been found.

We thank all candidates for their interest; however, only those selected for an interview will be contacted.
