The Board of The Alberta Library adopts policy and principles to direct the activities of TAL.

POLICY

Policy and principles will be drafted by the CEO and presented to the Board with a briefing note explaining the reason for it being brought to the board, and any issues that should be considered in the adoption of the policy or principles.

Policy and principles are adopted by motion.

Any TAL member or member of staff may suggest policy to the CEO for development or changes to then take to the Board.

The CEO is responsible for the creation and implementation of procedures and guidelines.

All policies and principles are reviewed at least every three years.
